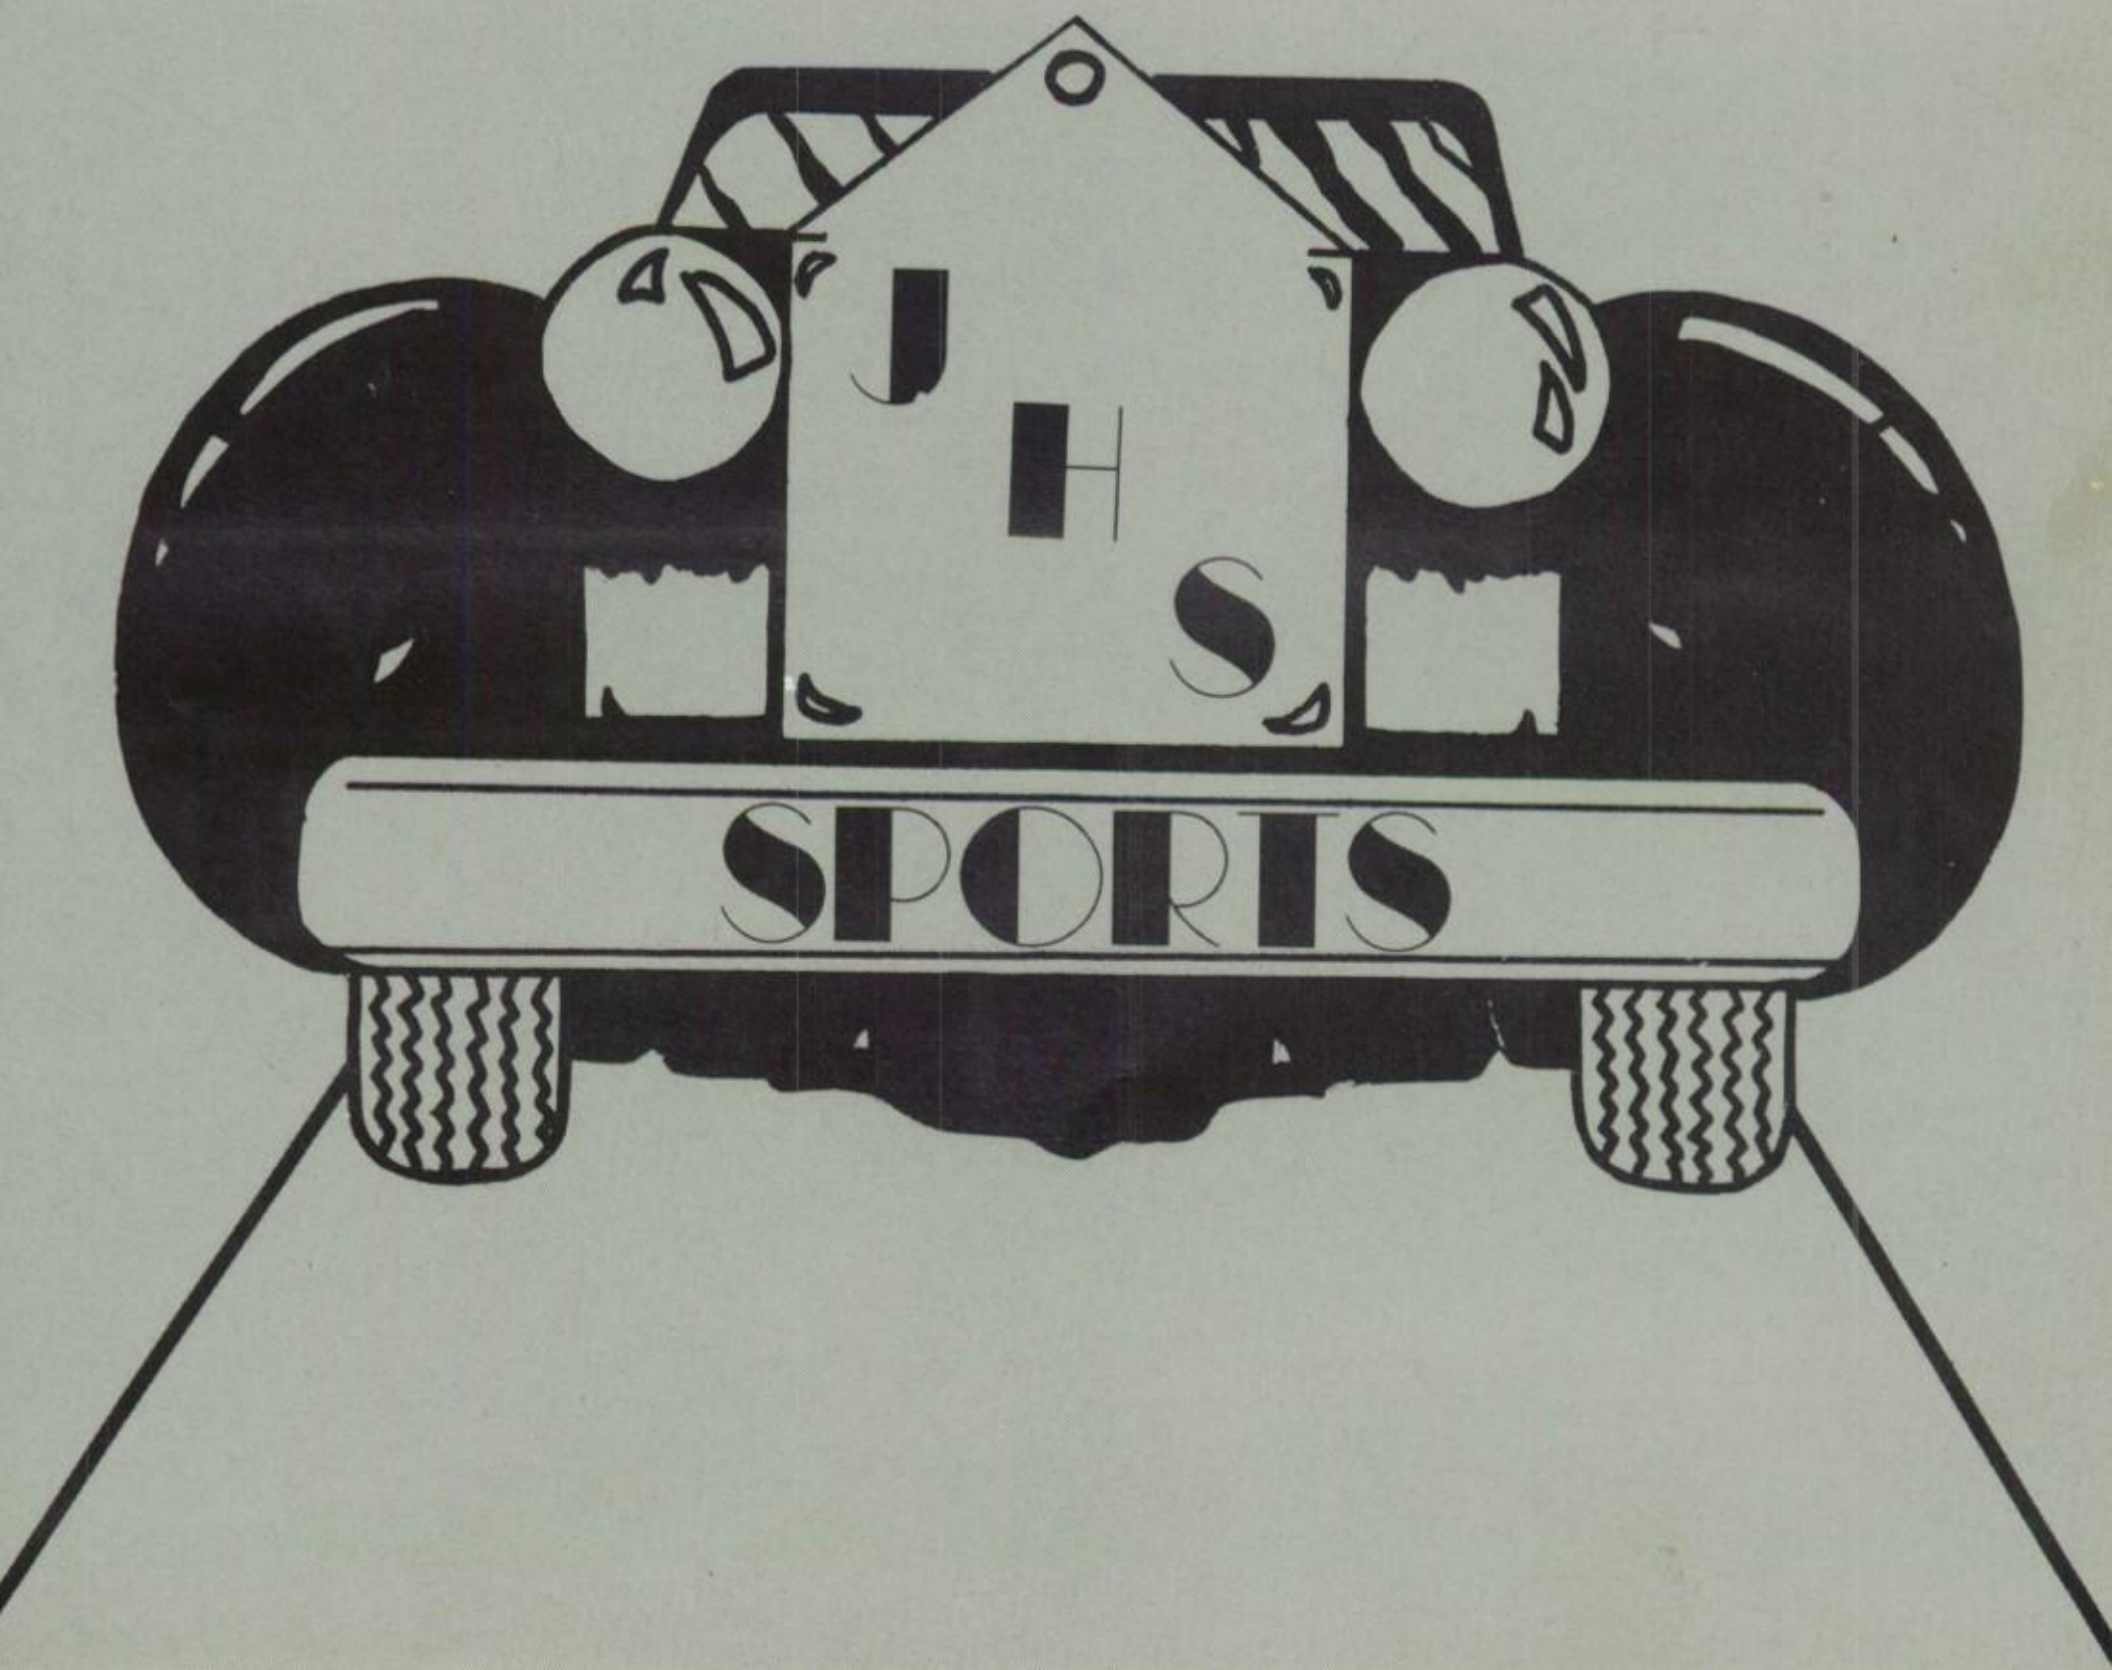
A Classic Year Of



VARSITY FOOTBALL

The Varsity Football team ended its season under first year head coach Dave Cooley with an even record of four wins and four losses. The season started well with wins over non-league Creswell and league competitor Willamina. The season went downhill for the next four games as Jefferson was beaten by Sherwood, Banks, Yamhill-Carlton and Dayton. The Lions then picked up momentum and rolled over Nestucca and North Marion to round out the year in fourth place in the Yawama League standings. This was the first time in several years that the Lions have won their Homecoming game, beating North Marion.

1. Todd Chandler sets the Lions up with another winning play. 2. VARSITY FOOTBALL: Front row-Coach Dave Cooley, Errol McCary, Candido Duran, Darrin Kinzer, B.J. Turner, Leo Palomo, Jerry Borsberry, Paul Wolski, Joe Davis, Rodney Aguilar, Bill Jenkins; Middle row-Coach Dave Beyerl, Vance Fisher, Dewey Robbins, Troy Chandler, Wade Towery, Rick Threet, Tracy Beaty, Todd Chandler, Hector Guzman, Allen Sheler, Joe Prunk, Leroy Kinzer, Curtis Harry, Back row-Jay Pippert, Tim Cox, Arnie Buchan, Scott Harper, David Volbeda, Jeff Fullen, Darren McGill, Blaine Johnson, Jeff Davis, Tim Pedersen, Randy Butts.

This year's most valuable offensive player was Darren McGill, half back, and defensive player was Allen Sheler, guard. Darren was also a team captain along with fellow-Senior, Ed Feck.

The team was plagued with injuries throughout the season including those to Blair Albertson, Tracy Beaty, Jerry Breeden, Ed Feck and Vance Fisher. Although Ed and Vance were side-lined, they were named to the All-Yawama League Team as a defensive end and tackle, respectively. Other team members named were Arnie Buchan, LB, Jeff Davis, D, Darren McGill, HB, Allen Sheler, G, and Rick Threet, DB.

Because of consequences out of our hands, we have no Varsity Football action photos as they were lost by UPS.

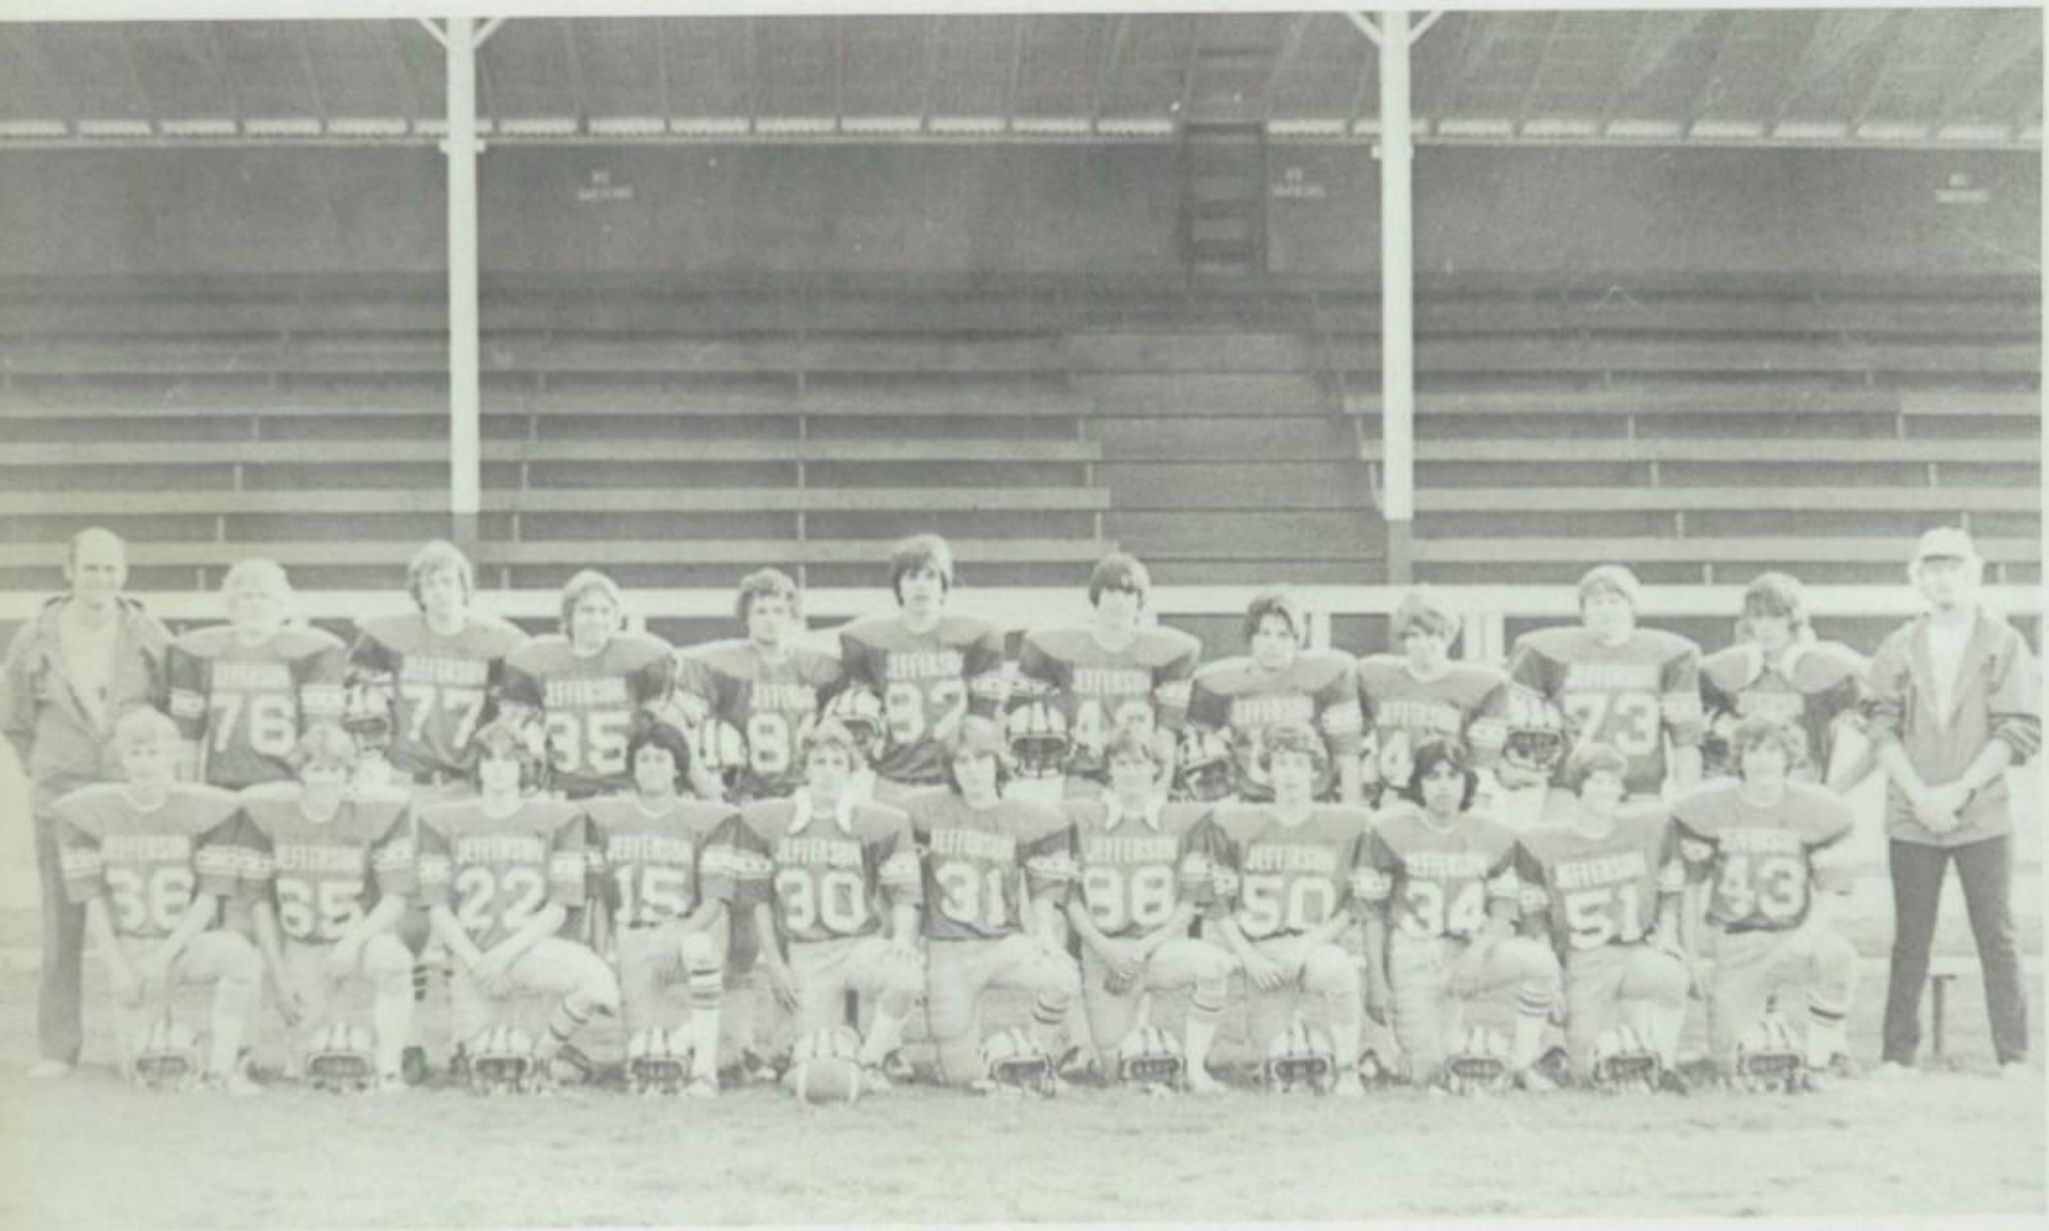
J.V. FOOTBALL



The J.V. Football team had a season record of 4-3. One of the highlights of the season was being the first team to score against the Banks Braves. This was not the biggest team in the league, but they had the biggest fight. Probably the best thing to be said about this team was that they played as a team, not as individuals. When someone had to play out of his usual position, the players around him would help to get the play right. They always gave their best effort in every game. It was a hard working team and really a tough one to beat.

Their season record was 9-5 in the Yawama League, finishing fourth in the league over-all. The team captains were Hector Guzman and Kevin Sheffield. Kory Sellers finished second in free throw percentage and second in most pints.

The Freshman basketball team had an excellent season finishing third in the League. Leading scorer was Jim Kramer who had 32 points in one game. Glenn Morris was leading rebounder with Tracy Beaty right behind him. The games they lost were very close, most within five points or less.

Both teams had excellent seasons, and all the best luck next year.

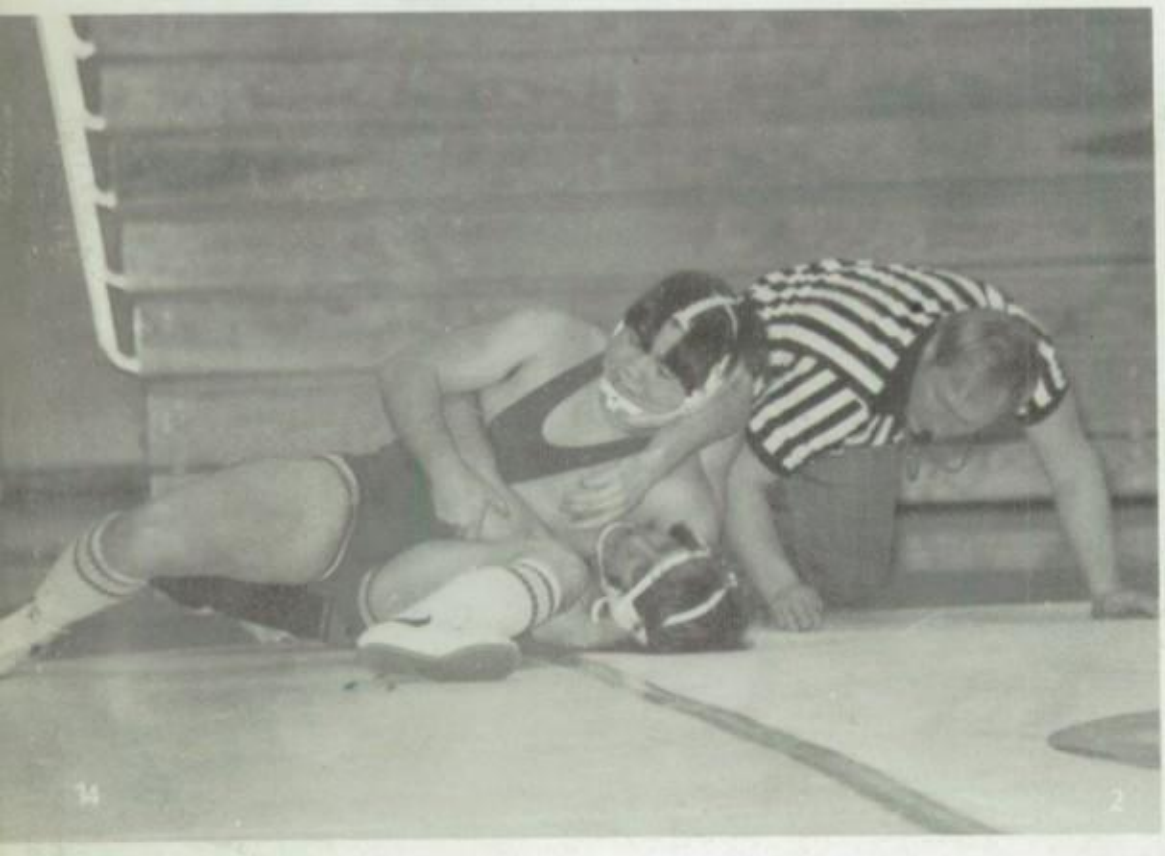
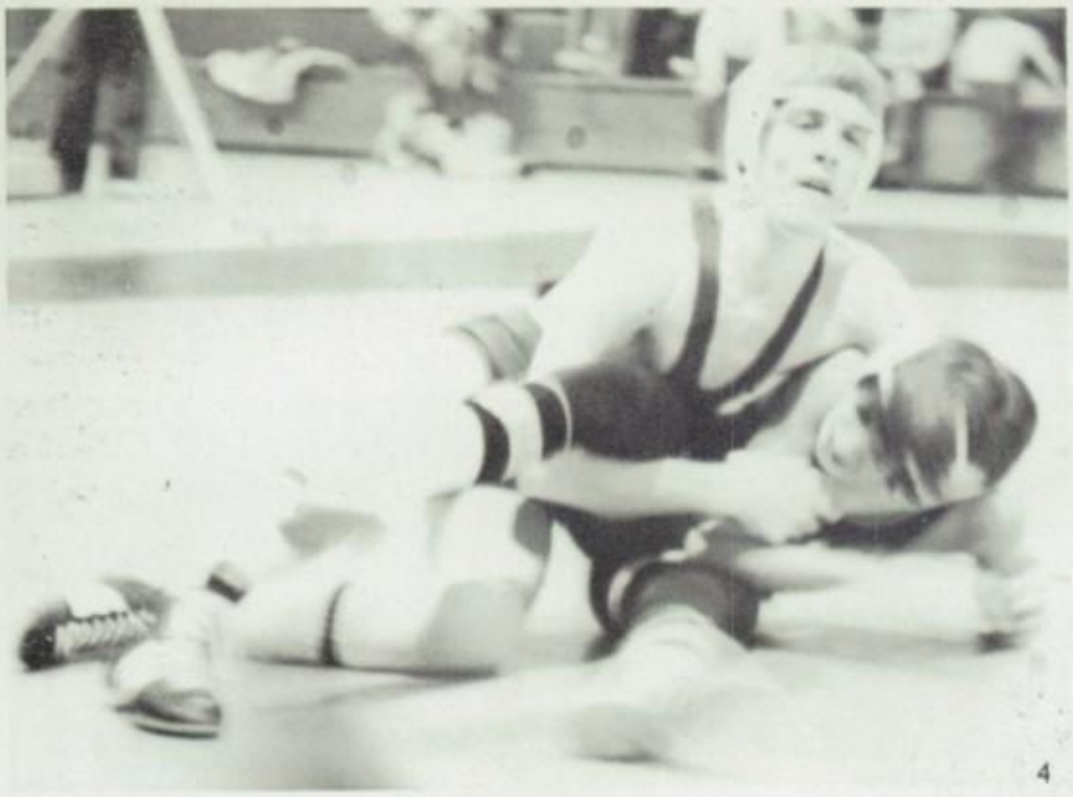
WRESTLING

The season for the wrestling team was highlighted by the team's trip to the Redwoods of northern California during the latter part of Christmas vacation. To pay for the trip, the guys worked hard by cutting fire wood, washing cars and selling jewelery. They earned $2,000 all together. The weather co-operated and helped to make the trip a success.

The season ended with the Lions being rated as 5th in the Yawama League standings. Outstanding achievements were earned by James Borsberry, 115, after winning a first at district. Scott Harper, HW, earned a second at district. These 2 advanced to state held in





Springfield at Springfield High School. Also at district, Tony Bender, 178, earned a 3rd, Jerry Borsberry, 106, Bob Aguilar, 136, and Jack Jones, 168, each earned a 4th. The Lions were proud to have district held in the new gym, although it was hosted by Willamina.

Mr. Hinrichs was really enthusiastic about the year. "This team was the hardest working team I have coached. I also feel they were in the best condition of most of the teams we went against. The season was alot of fun and very enjoyable." Good job guys! Thanks for a great season, we're proud of you!!!

The Harriers rallied to a fine second place finish at District. Although the season started out on a low note with several various injuries and illnesses, it ended with our great boy's team going to State and Sue LeMay becoming the finest girl ever from Jefferson to go to State in cross country. The Lions really proved that they are indeed a force to be reckoned with.

TRACK AND FIELD

The boy's team was probably the best on any level throughout the valley. They were highly competitive in all the events. The girls' only fall-back was that they were a very young team, having only two Seniors and no Juniors. But, as the season went by, the girls became more and more skilled. showing alot of talent that our Lions will be able to use next year. Our two Senior girls, Tori Downing and Sue LeMay both went to the State Competition this year.

TRACK AND FIELD: Front - Dwight Larabee, Alan Sheler, Sherie Green, Donna McLaughlin, Lillie Duran, Tony Bender, Sue LeMay, Mr. Wayne Fisk, coach; Middle - Joe Prunk, Darren McGill, Leroy Kinzer, Kevin Fullen, David Volbeda, Shelley Mercado, Debbie Dundas, Dino Yzaguirre, Darci Bash, Annette Marquete, Julie LeMay, Kathy Lueck; Back - Mr. Wickett, assistant Coach, Rick Threet, Rob Slupe, Glen Morris, Keith Anderson, Jay Pippert, Tim Pederson, Jesse Santoyo, Annette Singer, Tori Downing.

The boys ended up with a perfect 9 and 0 dual meet season record by winning the league championship. They were also district champions. School records were broken in the 400 meter by Leroy Kinzer, Tony Bender, Rick Threet and Darren McGill. They broke the record with a time of 44.5. A new school record in the triple jump was set by Tony Bender. New school recordin the 3000 meter was set by Dino Yzaguirre. All these times and marks qualified them for State competition.

The girls ended up with a 1 and 8 record and were 5th at District. They were very competitive but were lacking in numbers and experience. School records were broken by Sue LeMay in the 800 meters, 1500 meters, 3000 meters, intermediate hurdles, discus, and javlin. Tori Downing set a new school record in the shot put.

Congratulations to all the members this year and the best of luck to our Mighty Lions for 1981!

1. Tori Downing was highly competitive in all of her events, but excelled in the shot put. 2. Blair Albertson was never one to let things get in his way as he proves by long-jumping with a cast on his arm. 3. Rick Threet competes at the State meet in the pole vault.

RALLY

The JV rally squad has done an excellent job this year. They've shown a tremendous amount of spirit, pride and ability. The girls went for a week to the National Cheerleading Association's camp at Lewis and Clark College in Portland during July. They learned alot about cheerleading and about each other. It really helped them out alot throughout the season. Their ability to work as a team really showed and kept every crowd enthusiastic. J.H.S. is really proud to have them as our JV rally. Girls, keep your spirits high and your pride flowing.

1. J.V. RALLY: Lisa Vester, Jennifer MacLean, Diane Stanfill, Carla True, Annette Marquette. 2. The girls show their enthusiasm at a home basketball game by cheering with the Varsity squad. 3. Captain, Jennifer MacLean has been on rally for two years and is a great asset to the squad. 4. All good rally members know that "intelligence is essential and spirit is fundamental when you conjugate hypothesis that say you're victory bound."

VARSITY RALLY

This year's rally squad has really been great. It consisted of six girls during the football season and three during basketball season. Three of the girls had been on JV rally, Tami Steele, Shirley Maguire and Stacy Wells. This was their first year on the Varsity squad. The three other girls were Stephanie Goodman, Karen Price and Sharil Woods. During basketball season Stephanie Goodman, Shirley Maguire and Stacy Wells were no longer on the squad for various personal reasons.

The girls showed spirit all year long with "secret pals" during basketball season, bright posters decorating the halls and great cheers during the games and at pep assemblies. They also showed alot of spirit cheering for the Lions at the district play-offs for basketball in McMinnville. Good job, girls!

1. Some of the most exciting times for the girls was their pep assemblies. Her they endulge themselves in feeding Mr. Wickett out of a cow bottle. 2. VARSIT RALLY: Tami Steele, Stephanie Goodman, Sharil Woods, Karen Price. 3. RALL CAPTAIN: Tami Steele. 4. Our Lion Mascot Theresa Pinkham was a grea inspiration to everyone.

DRILL TEAM

It's been rough for the Lionettes the last two years. Through it all they've held their heads high, though.

In the last two years they've had three different coaches, each with their own style of dance and own ideas. The new ideas came from their most recent coach, Miss Sandra Larson

During the football season each girl had one or two football players and some had cross country runners also, as "secret pals" which they called "Lion Lovers." It was fun for the girls and gave the football and cross country members a boost of added enthusiasm before each competition. At the end of the season the football players took the girls out to dinner at the Spaghetti Warehouse in appreciation of their support. The cross country runners gave each Lionette a big Sugar Daddy sucker.

During the Christmas season all the members got together and had a party at Miss Larson's apartment. The girls exchanged gifts with people that they had drawn names for. It was really a good time for everyone.

The Lionettes competed at three local competitions this year, performing for home and away football and basketball games as well as some college basketball games.

The West Albany competition was a successful one for the Lionettes placing second. A couple of weeks later they competed at the Stayton competition taking fourth out of seven teams in the AA division. At the McKay competition they took yet another fourth place trophy. At these three competitions they used the songs "On Broadway" and "Body Shop."

When State came around the girls were ready. Going into the competition with high hopes, the Lionettes placed second out of 12 teams. They changed their routine and the music they danced to was now "Body Shop" and "Main Event."

The only major change among the Lionettes has been their change from a novelty routine to a modern dance routine. Their style and showmanship is still as great as ever.

At the State competition, two girls were chosen from the Lionettes, by ther teammates, Julie Jensen and Anna Gonzalez, to try out for the Superstar team. The Superstar team consists of 24 girls that perform a routine that they learned the afternoon of the competition. This team is a display of the best dancers and an honor and privilege to be picked for. Anna Gonzalez was named to the team this year.

All-in-all, it was an outstanding year for the team and nothing but good luck in the future.

LIONETTES: Front row- Anna Gonzalez, Deanna Forbes, Julie Jensen; row 2- Wendy Brown, Alicia Case, Angie Chastain; row 3- Kathy McKay, Ann Dorn, Christi Webster, Kelly Brown; row 4- Darla Forbes, Michele Case, Stacey Lockshaw, Laurie Barresse, Kathy Leuck; back row- Kris Brown, Becky McGill, Martha Gonzales, Sandra Larson, advisor. 2. A Classic Year Of

SENIORS SENIORS SEN

The class of 1981 is not like any other class, it's more like a close family. Several of the students have come through all 12 grades together, and all at Jefferson schools.

Through this last year we have encountered competencies, term papers, tests, novels, and plans and confusion for our futures. But we've all made it, and with all the hard work came alot of fun times: Senior Skip Day, parties, May Day, Prom, Homecoming and involvement in clubs and sports.

In sports we had some really spectacular performances by the Seniors. Football season brought out Blair Albertson, Arnie Buchan, Jerry Breeden, Todd Chandler, Candido Duran, Ed Feck, Scott Harper, Darren McGill, Rick Threet and Wade Towery to be proud of as they helped our Mighty Lions stomp to 4th in the Yawama League standings. At the same time Bob Aguilar, Mitch Humphries, Dwight Larabee, Sue LeMay and Keith Semmel were giving it their "all" in Cross-Country competitions. During Volleyball and Basketball seasons we had Gaylyn Barnes, Lis Covalt, Diana DeBus, Tori Downing, Sherry Jellsion, Sue LeMay and Dana McSpaden to cheer on.

When winter rolled around our Basketball and Wrestling members appeared on the scene. Arnie Buchan, Mike Baley, Dwight Larabee and Keith Semmel helped the Lions to 4th place in the district play-offs in McMinnville. Be (continued on page **40**)

SENIOR DIARY

Dear Senior Diary,

Seniors, That's something alot of us never thought we'd actually be calling ourselves . . . let along "GRADUATES!!!" It's been a long hard climb, but we've finally made it! About 30 of us have come through all 12 years together. 12 years . . . that's 108 months, about 48 report cards, 372 weeks or 1,860 days spent together. It doesn't seem possible that all that time has slipped away.

This year was, of course, a very special one. Our class seemed to grow closer and closer as our final weeks dwindled away to our final days. Memories of the year include such tragic events as the murdering of John Lennon, the assassination attempts on President Reagan and Pope John Paul, the many Atlanta slayings, and the I-5 Bandit. Wonderful moments also occured in history as the hostages were finally released from Iran, the Space Shuttle Columbia proved to be a success and Oregon State University's basketball team held onto the number one spot on the U.P.I. poll for several weeks and made it into the national semi-final play-off games.

Closer to home our Mighty Lions made it into the Ywama League basketball play-offs, we attended college visitations, the Senior Slave Sale took place on May 8, Prom occured on April 25 and we all got involved (and wet) on May 23 at Foster Reservoir at the Senior Skip Day. Homecoming and May Day Talent Night were other big happenings. Later in May our Baccalaureate, Graduation and the annual Senior party took place. The party was held at Green Peter Dam, May 29 through 31st. April 27 was the start of an old tradition as we held our first Baccalaureate that was seperate from our Graduation in several years. District Attorney, Chris Van Dyke was our guest speaker.

May 28 was a very special day as the Seniors became graduates. What lies ahead for each of us, only we can decide. Some will undoubtably head towards college, others toward marriage, and still a few unfortunate ones may lean toward a life of crime or poverty.

Special note to the class of 1981: If you move or change your name, please notify Kelly Brown at 2078 Farmer Road. S.E., Jefferson, Oregon 97352. This is so that you can be reached when it comes time for class reunions.

Good-luck in your lives.

SENIOR HALL OF FAME

This Year's Senior Hall of Fame is the largest one in the history of the Lion's Roar. The winners were chosen by the Seniors, their advisors and teachers. First, nominating votes were taken and the three girls and three boys with the most votes in each catagory were placed on the final voting ballot. From these three, the top boy and girl were chosen. Some of the wins were by landslides while some won by only one or two votes, there was also three ties.

In the actor/actress catagories, the winners were Blair Albertson and Tori Downing; all-around: Sue LeMay and Darren McGill; athletic: Arnie Buchan and Sue LeMay; best dressed: Susan Culver and Candido Duran, and the best blushes of the Senior class belong to Brad DePreist and Stacey Lockshaw. The brown-noser awards went to James Borsberry and Kim Mullican; class clowns: Rich Aguilar and Tori Downing; creativity: Kelly Brown, Shawn Dawson and Rick Threet; dedication: Dwight Larabee and Sharil Woods; Eyes: Tony Goff and Christi Webster. Behind the scenes were the statisticians, Kelly Brown, Stacey Lockshaw and Christi Webster. Gaylyn Barnes kept the Varsity book at the games.

As spring approached we lost sight of Kelly Brown, Deanna Forbes, Stacey Lockshaw and Christi Webster of the Lionettes. We also lost the enthusiasm of our cheerleader, Sharil Woods at the games and pep assemblies. But, with the loss of them, we gained our track members, Blair Albertson, Tori Downing, Dwight Larabee, Sue LeMay, Darren Mc Gill, Rick Threet and Jerry Yzaguirre. Baseball also began for Rich Aguilar, Arnie Buchan, Todd Chandler, David Craycraft, Jeff Craycraft, Keith Semmel, Neil Sheffield and their manager, Doug MacLean.

Sports weren't the only thing the seniors were involved in. They also participated in D.E., Yearbook, A.F.S., Varsity 'J', Pep Band, Stage Band, Choir and other school and community groups and projects.

SENIOR SKIP DAY

Senior Skip Day this year was spent at Foster Reservoir on May 23, 1981. About 50 Seniors and advisors attended the skip day and had a great time. Mr. Fisk cooked up some great hamburgers and the students brought some terrific food.

It wasn't long and most everyone was hitting the water. Not under their own power, though. Even Mr. Paul couldn't get away from the determination of the Seniors. A few braved the chilly day and attempted a bit of water skiing or scuba diving. Most only tried after they found the nearest wet suit. Of course, there is always one who must try swimming without even a top, but luckily there ARE U.F.O.s! (Courtesy of Mr. Paul.)

1. Shawna Henion goes for a little dip before lunch in the lake. 2. David Garcia and Kelly Brown ham it up for the camera before heading out to the lake. 3. Senior eagerly prepare the boats for a day of water skiing. 4. Rich Aguilar, James Borsberry and Bob Aguilar . . . our three frog men.

FRESHMEN FRESHMEN F

Says Freshman class President Joe Davis, "Our class is very cooperative. Everyone gets along great, we've got alot of spirit and I think we're going to get things done." The Freshman class is also one of the most spirited classes Jefferson has ever had.

"We have the closeness that a class needs to stick together and get things done. Over-all we're pretty close. It's neat because every one knows each other. I think we're the most athletic class around here," says class athlete, Jim Kramer.

The class of '84 has alot of potential athletically as well academically. Wayne DePriest, activities director, feels the people are nice, interesting and fairly intelligent. "We stick together and pretty much help each other out."

Joe Davis
President

J.V. Cheerleader, Diane Standfill, thinks that her class has alot of spirit and she also thinks everyone gets along "and we have alot of good looking guys."

Their main responsibility this year is to make the May Day Talent Show's backdrop. This class has alot of potential and will go far in the future.

The Administration this year has been extremely understanding and they are trying very hard to make Jefferson High School a more and more desirable school to the students.

Mr. Martin cares about the student's opinions and what is best for them. His secretary, Mrs. Leuck is always willing to help in any way.

SCHOOL BOARD

The Jefferson School Board recognizes it's responsibility to establish and operate schools in the Jefferson school district. Legally, it gets it's power from the state. It is an agent of the state and also from the people who reside within the district.

Membership of the Board shall consist of five members to be elected by the patrons for a four year term. It's the intent of the Board to hire a district Administrator to direct, manage and provide leadership to the school system. The Board shall also be limited by the powers and duties which are described in the provisions of Oregon law and the Oregon Board of education rules and regulations.

This year's School board did a terrific job of getting every thing organized.

In honor of Jefferson High School, this yearbook is dedicated to Jackie Steimonts.

Mrs. Steimonts has been teaching at Jefferson for five years. She is involved with the English department and is very demanding of students in working towards perfection. She has a great deal of knowledge in grammar and literature. Her enthusiasm in English is a very important part of her teaching. In class she is a stern teacher, but her main concern is her students having an atmosphere in which they can learn. She always seems to find time to help her students out in any way. English isn't the only way she brings culture to the class room, she also teaches French, poetry, knowledge of novels, classics and many other things are her way of expressing herself.

Jefferson High just wouldn't be the same without Jackie Steimonts.

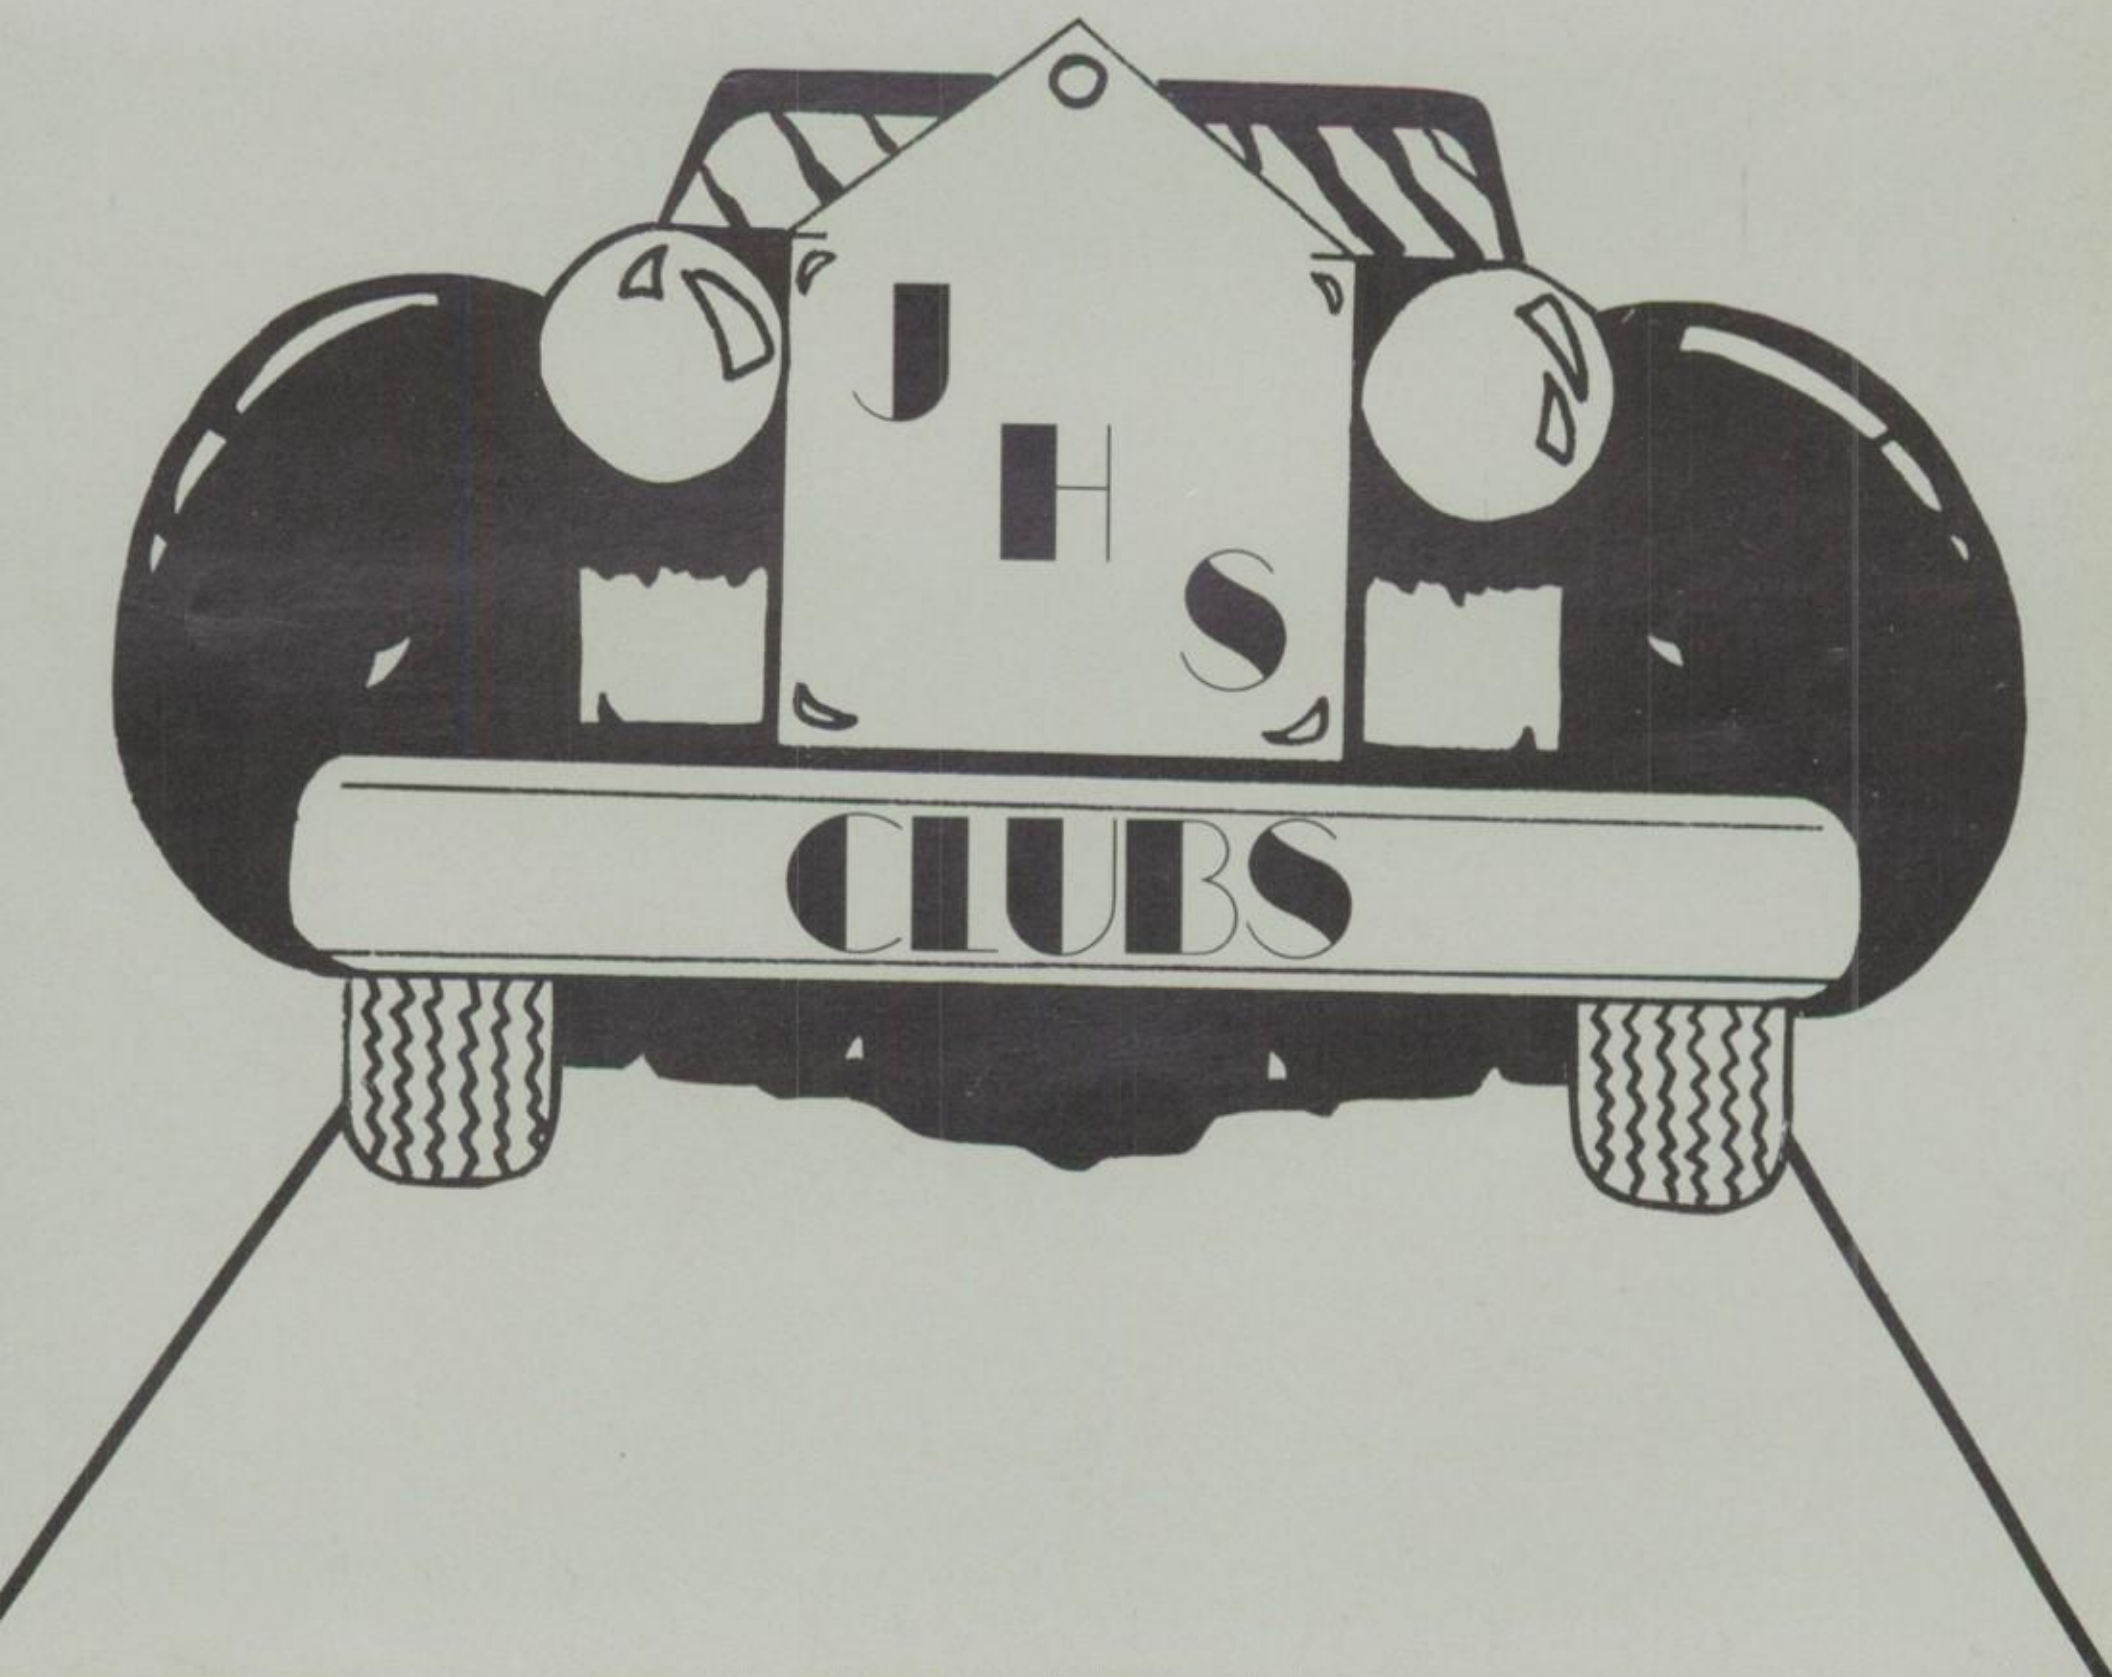
A Classic Year Of



A.S.B.

The Associated Student Body officers have worked very hard this year to make Jefferson a more enjoyable school. They asked students what they would like to see happen around campus, and they took it from there.

During the year we had two films. The first being "The Mouse That Roared." It was an older film, but much enjoyed by all. The second was a newer film called "Heaven Can Wait" The student store helped out by serving pop and popcorn during the movies. The second term officers also bought some short films about such subjects as drag racing, skateboarding, mountain climbing and surfing that were shown during lunch in the little theater. The turn-outs were big for these films and the students and teachers really liked them.

One other big success was the foosball tables. It's a great break for students and vice-principals alike.

THESBIANS

This year's Thesbians really put on some exceptional productions. Part of their success was due to their instructor, Mrs. Halseth. This was her first year teaching high school drama compared with teaching junior high drama the year before. She really enjoyed working with the high school students, finding it more involved than the junior high productions.

Their three plays this year were "The Lottery," a drama by Shirley Jackson, "The Open Window," by H.H. Munro and "The Steel Pot," written by Roger Garis.

Students will be students, and Mrs. Halseth learned that some found it rather difficult to take the whole thing seriously. Although the general attitude of the actors and actresses was good and they enjoyed being in the public eye, they sometimes complained enthusiastically about assignments, lines and studying. But after it all, the drama department turned out some great plays!

2

During the year we had a fantastic assembly in the Commons put on by two professional actors, Bruce Gooch and Larry Paulsen, from the Ashland Shakespearean Theatre. They did a presentation of the play "Of Mice and Men," some cute interpretations of poems such as "Tummy Gummers" and "Toad Suckers." Also included in their performance was their rendition of an impression song about a train. These actors' talents really kept everyone glued to their seats and spell-bound. It turned out to be one of the best assemblies our school has ever seen.

1. Delacoix (Eddie Duran) stirs the tickets in "The Lottery" as the villagers talk nervously and Joe and Belva Summer (Brad Stec, Sharil Woods) argue. 2. In "The Open Window" Mr. Sappleton (Keith Anderson) asks, "Who was that who bolted out of the door as we came in?" 3. Bill Hutchison (Keith Anderson), Alice Martin (Darci Bash), Fred Delacoi (Eddie Duran) and Debbie Hutchison (Sharil Woods) exchange greetings before the lottery begins. 4. Shakespearean actors, Bruce Gooch and Larry Paulsen, talk with the drama department members after their stunning performances.

F.F.A.

This year was highlighted by a trip to Kansas City by 4 members of the F.F.A. for the National F.F.A. convention in November. Those enjoying the excitement of the convention were Jeff Davis, Mark Hesse, Nicola Johnston and advisor, Mr. Lee. During their stay, they took tours of Allis-Chalmers and the Ag. Hall of Fame and listened to the music of Jim Stafford while attending the American Royal Rodeo.

Closer to home, the members had what could be considered a successful year. From their wheat crop they grossed $2300 and they took several awards at district, county and state levels. At the Oregon State Fair, members entered nursery, ag. mechanics, dairy judging and crop classes. In district Parliamentary Procedure, Rick Adams, Jeff Davis, Joe Davis, Mike Hesse, Nicola Johnston and Jordana McDonald took 3rd place in tough competition. Members placed 7th at the Pacific International Livestock Exhibition Dairy Judging contest and Jordana McDonald took 2nd place in Extemporaneous Public Speaking. Many other contests were also entered during the year.

During National F.F.A. Week, February 23-27, the members participated in jacket, day, tractor day and farmer dress-up day. On February 25, the 2nd Annual Ag. Olympics were held in the parking lot of the school. Events that took place were the class and faculty egg-toss, the "people stack," and the tug-of-war. The freshman class took first place honors, the seniors took second, the juniors took third, the sophomores, fourth, and the faculty took fifth place. The weather cooperated and the entire school had a terrific time.

Several members will again be participating next year and taking part in fairs and contest.

1. OFFICERS: Jay Pippert, Sentinal; Nicola Johnston, Reporter; Tracy Learn, Treasurer; Jordana McDonald, Secretary; Mark Hesse, Vice-President; Jeff Davis, President. 2. Nicola Johnston, Mark Hesse and Jeff Davis pose by the Philharmonic Foundation Patron's monument in Kansas City. 3. Mark Hesse hard at work!!! 4. Junior, Stacy Wells competes in the egg-toss at the Ag. Olympics. 5. Freshman members help prepare breakfast. 6. F.F.A. delegates visit Allis-Chalmers.

VARSITY 'J'

The 1981 year was a very successful one for Varsity 'J'. Most of their money was made from the concession stand at the Varsity football games and car washes.

Members of Varsity 'J' helped to park cars at Graduation and participated in the Ag. Olympics put on by F.F.A. They also managed to recruit 25 new members this year. All of them had to go through a rigorous week of initiation ceremonies.

Julie Prunk was the first girl to serve as President, Blair Albertson was Vice-President, Sherry Jellison served as Secretary/Treasurer and Dwight Larabee was Sergeant of Arms. Mr. Dave Cooley was once again their advisor.

VARSITY 'J': Ed Feck, Chris Murphy, Todd Chandler, Hector Guzman, Julie Prunk, Gaylyn Barnes, Dwight Larabee, Diana DeBus, Tori Downing, Laurie Bareese, Sherry Jellison, Sue LeMay, Mr. Dave Cooley, advisor.

HOMECOMING COURT

Hat and button day started off the Homecoming festivities and the dance ended them on Saturday night. During the week we also had pajama day, purple, gold and white day, 50's day and dress-up day. Everyone really showed their spirit and enthusiasm all week long.

During the afternoon assembly on Friday the Lionettes performed to "Greased Lightning, and "Jail House Rock." Their choreography and showmanship really kept the crowd cheering.

The Homecoming court was then presented. Our 1979-80 Homecoming queen, Julie Prunk, and varsity football captain, Darren McGill were first presented. Following them, Freshman princess Leticia DeLaCruz and her escort, Eddie Aguilar; Sophomore princess Beth Judy and escort, Rick Adams; Junior princess Kimberly Sheffield, escorted by Dan Smith; Senior princesses Susan Culver and escort Jeff Price, and Sue LeMay with her escort, Bob Aguilar.

During half-time of the game, the class floats were presented and the Junior class was awarded the first place ribbon for their beautiful float. The Lionettes then performed their 50's routine. Julie Prunk then crowned Senior Sue LeMay as our 1980-81 Homecoming queen. The mighty Lions then roared back onto the field through a giant run-through by Kelly Brown proclaiming the Homecoming Spirit. They proceeded to stomp the North Marion Huskies to win their first Homecoming game in several years.

Saturday night, Sue LeMay and the rest of the court reigned over the dance held in the commons area of the high school. Congratulations to all the princesses, their escorts, and to Sue and Bob. Also to the Lions and all the people who put in so much time and effort to make it all a success.

1. Kimberly Sheffield enjoys herself at the Homecoming Dance dancing to music provided by Team Electronics of Albany. 2. The gorgeous cake donated by the Lion's Den. 3. Our 1980-81 Homecoming court reigned over the festivities Saturday night. 4. Queen Sue and escort Bob share a smile during the court dance.

MOTHER/DAUGHTER TEA

The third annual Mother-Daughter Tea sponsored by the Distributive Education class was held May 6 in the high school gym. About 250 people attended. Classes displaying works were the home arts department, wood shop, metals shop and the Lionettes drill team.

D.E. students modeled clothing from the Garmentree store of Lanacaster Mall of Salem. Mrs. Thurman's home arts department students modeled clothing that they had constructed themselves.

As entertainment Lisa Jones sang her rendetion of Mandy and Mr. Weil sang a solo of I Write The Songs. Both were accompanied by Mrs. Palmer. The Jefferson high school choir sang and Joe Davis provided us with the background music.

Special thanks to Mrs. McLaughlin and Mrs. Belveal who made everything work, Mr. Leach and Tim Weld for their photography talents, Mrs. Bradtl for giving instructions in modeling to the girls. Mrs. Bradtl is manager of LaPointes in Salem. Also thanks to all the men on the staff who so graciously covered the women's classes so they could attend the tea.

1. Beth Harnisch models one of the Garmentree's beautiful night garments. 2. Mr. Weil displays his talent by singing "I Write The Songs". 3. Kevin Fullen escorts Tami Steele as she models a dress from the Garmentree. 4. Annette Singer and her mother look at the work done by the woods department. 5. Mothers and daughters anxiously await a taste of the beautiful cake.

NATIONAL ASSEMBLIES

This year's national assemblies were really outstanding, although we had only three.

Our first assembly was by two actors from the Shakespearean Theater in Ashland, Oregon. Their terrific performances of plays and renditions of poems, such as "Tummy Gummers" and "Toad Suckers," and short stories kept everyone glued to their seat. Students, guests and faculty were very appreciative of the men's performances.

Later in the year, magician Danny Johnson entertained at J.H.S. Being deaf from birth, he never spoke a word through his performance, but got his exact feelings across to all. He put on a show not soon to be forgotten.

Near the end of the year, two men from Liverpool, England, Keith and Craig Hawley, put on the most sensational assembly brought to our school in a long time. They performed hits of the Beatles, today and some music uncommon to our ears from their country by Joe Jackson.

1. Carla True helps magician Danny Johnson with a rope trick. 2. Some Jefferson students put on their version of the Solid Gold Dancers. 5. Keith and Craig Hawley tune-up their guitars before the start of the assembly. 4. Sandy Jones laughs as Keith Hawley introduces Shawn "Darren" Dawson as one of the dancers.

AWARDS ASSEMBLY

The awards assembly was a very important assembly. All the people that received awards did a very fine job. We want to congratulate them on their achievements. The teachers also did a terrific job of picking the students for the awards. During the assembly, the Honor Society also did their yearly tapping for new members. The assembly was one of the most gratifying for everyone.

1. Mrs. Halseth presents Kirsten Neilsen, Tori Downing, Diana DeBus, Keith Anderson, Jennifer MacLean, and Sharil Woods with their drama awards. 2. Rick Threet receives his drafting award from Mr. Leach. 3. Mrs. Thurman receives a special gift of flowers from Linda Nollen for all her help over the years with the Senior class.

MAY DAY: LET THE

"Let The Sun Shine In" was the theme of this year's May Day Talent Night. Approximately 300 people attended the show, making it a big success.

Talent ranged from a puppet show to songs performed by all age groups. All three of the Jefferson schools had performers, and all put on excellent displays of their talent.

Queen Sharil Woods and King Darren McGill reigned over the festivities with crowned princess Tori Downing and crowned prince Dwight Larabee. Completing the Senior court were Gaylyn Barnes and Todd Chandler, Christi Webster and Bob Aguilar, Sherry Jellison and Blair Albertson, Beth Harnisch and Shawn Dawson, and Kim Mullican and James Borsberry. Mistress and Master of Ceremonies were Kelly Brown and Rich Aguilar.

The freshman class did a beautiful job on the back-drop and the decorating in general. Thanks also are due to the art department for the terrific programs, Cory Baker for the lighting and everyone else who did so much to make the night of April 30 a success.

1. SENIOR SLAVE SALE

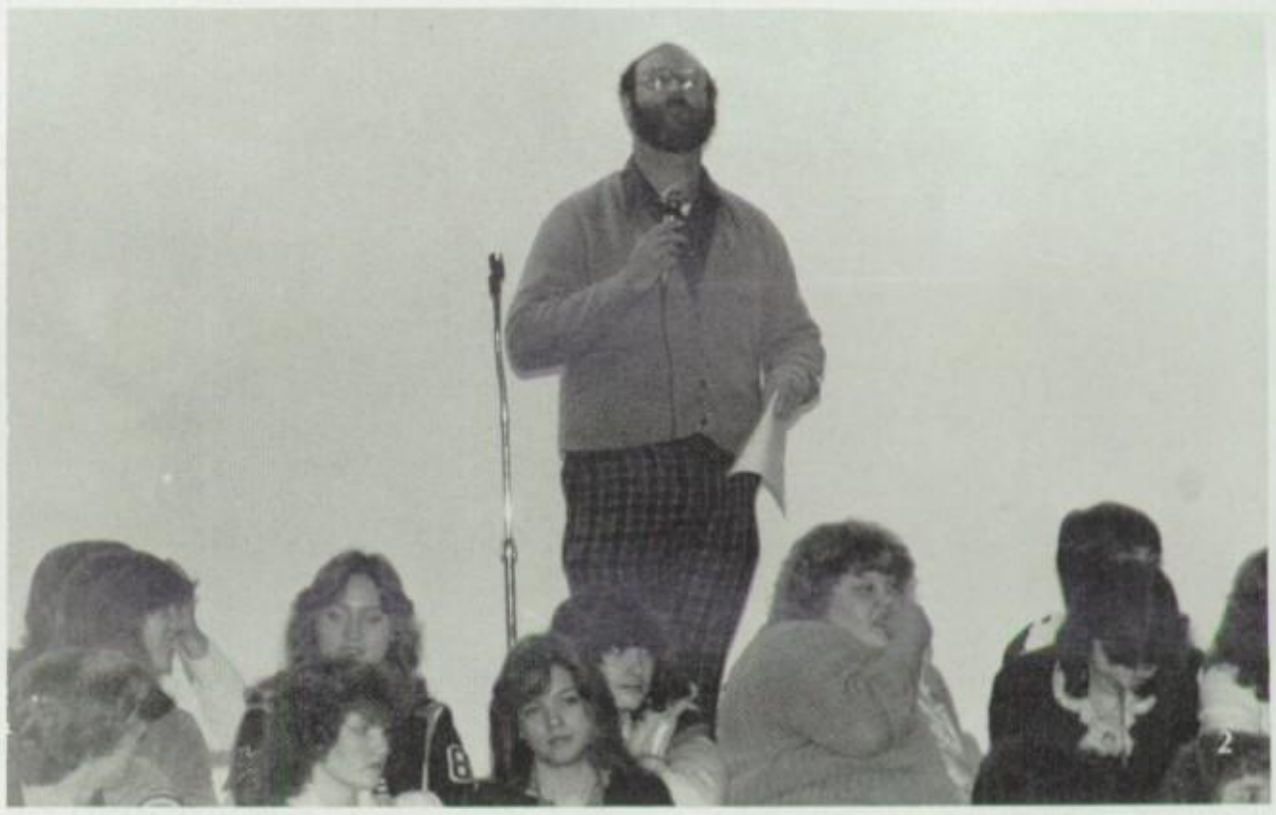
1. Mr. Fisk points the way towards Rick Threet's new owner. 2. Mr. Fisk asks if any of the teachers or faculty are willing to be sold. 3. Jerry Breeden receives a sales pitch before being auctioned off.

The Senior Slave Sale is an annual event which took place May 8 this year. All Seniors are auctioned off by Mr. Fisk and the person with the highest bid is the owner of the Senior they were bidding on for one day. Anything immoral is not allowed. Some Seniors were painted, some guys had to wear dresses, and some had to lower themselves by singing "We Are Crazy" at lunch on the Commons stage. Others had it easy. They just had to pick up their "masters" and take them to lunch. The top selling Senior was Dale Morris who went for $25.



MINT FESTIVAL COURT

Jefferson Lion's Club President, Mr. Ted Forbes presents the 1981 Mint Festival Court: Anna Gonzales, Diana Madsen, Stacey Lockshaw, Alicia Case, and Sheri Smith.

The Mint Festival, sponsored by the Jefferson Lion's Club, will be held July 17-19 this year. Festivities will include a stage show, dance, coronation of the queen, a slow pitch tournament, the Oregon Frog Jumping Championship and a Bar-B-Q. Prizes will also be awarded to the person holding the winning ticket for a micro-wave oven, a rifle, and scope and a Polaroid camera.

The Mint Festival court is made up of five girls, either Juniors or Seniors at Jefferson High School, who compete for the title of queen. This year's court consists of Alicia Case- Junior, Anna Gonzales- Junior, Stacey Lockshaw- Senior, Diana Madsen- Senior, and Sheri Smith- Senior. These girls are all sponsored by various businesses in the Jefferson area and are each selling tickets. The girl selling the most tickets will be crowned queen Friday night at the coronation.

AN EVENING

An Evening In Paradise was the theme for this year's Prom. Held in the gym and the Commons, it was a big success.

The dinner was served buffet style and included beef kabobs, sweet and sour chicken, rice pilaf, a salad, stir-fry vegetables and punch. A beautiful ice carving adorned the head of the buffet table. For dessert, a strawberry marble cake was served. The food was excellent and the decorations were outstanding.

The dinner, which was held in the gym, was decorated with white curtains, bamboo wall paper, plants and white floor coverings. The main attraction was a beautiful mural of a Hawaiian sunset by Wendy Brown. The Commons, where the dance was held, was accented by parachutes hanging from the lighting fixtures, blue curtains, small pond and fountain, plants, and balloons, which were dropped during the dance. (continued of page 103)

And very special thanks to the Portland-based group, Champagne Charlie who provided the terrific music, the Hawaiian dancers from Willamette University and the people from Linn-Benton Community College for the wonderful food.

The night turned out to be one full of memories not soon to be for gotten.

CONGRATULATIONS

CLASS OF 1981

GRADUATION

Tears and smiles were mixed as the graduating Seniors walked in to "The Best of Times." Amidst the flash bulbs were some troubled minds wondering as to what will come of their futures, or even tomorrow. But, as each of them walked up the center aisle, each of them knew that they were embarking on a new journey.

Once on state, Senior President, Blair Albertson, introduced Jerry Breeden to give the invocation. Vicepresident Christi Webster presented the class gift of a painted "HOME OF THE LIONS" on the west wall of the gym. For the first time we had Co-salutatorians. First was Sue LeMay followed by Shawn Dawson. The Valdictorian was Blair Albertson. Mr. Fisk gave a speech that was really special for the Seniors. Soon, it was time for the awarding of diplomas and Secretary Sherry Jellison read the class roll as the Seniors presented each other with their diplomas.

Blair Albertson then stepped to the front of the Seniors to lead the turning of the tassles. Soon cheers broke out from the aaudience and all the graduates. One of the highlights of the evening was the walking out song which was suddenly changed from "Free Bird" to "Hair of the Dog." (Which was possible after a little manuevering by a few Seniors.)

Soon the breezeway was crowded with over-joyed parents, friends, and relatives all wanting to congratulate the graduates. The hard work to acheive the diploma is over, now the hard work of accomplishing a life is ahead.

1. Kelly Brown and Tony Goff take their final walk as Seniors. 2. Blair Albertson checks over his speech a final time. 3. Jerry Yzaguirre and Rich Aguilar congratulate each other after the ceremony.

1. Diana DeBus and Wade Towery share a smile as she hands him his diploma. 2. Family and friends wait for and congratulate the graduates. 3. Sharil Woods readies herself to give a diploma to Tony Carter. 4. Valerie Sitton and Dale Morris know that these are the best of times.

YEARBOOK STAFF

Wow! What a year! Almost everyone was new on the staff, including me, and I'm the Editor! Only two people who had been on the staff before stayed. They were Troy Mercado and Tim Weld.

In August Tim and I went to a camp, "Plan '81", in McMinnvile at Linfield College, We learned every facet of yearbook production- all in a mere three days!

Once we were back in school, it was ad selling time. Then came time for the actual production of our yearbook. Even though everyone was new to the staff, somehow things just kept rolling along. Not every deadline was met, but we all tried real hard. But trying just wasn't enough for some, and these people turned out some fantastic pages!

Of course tempers flared once in a while, but before long everyone was back to normal and production clicked along once again. There were also some really fun times, like our deadline and birthday parties.

Troy took more slack from Tony Goff and Wade Towery than most people have to deal with in their life time. Lisa Jones and Florinda Duran sometimes needed a little reminder or two to tell them where the class-room was, but things always got finished. Alicia Case, Anna Gonzales and Robyn Freeman were only in the class the last quarter but got alot of things accomplished. Lisa Lippert was our prize typist. Tim turned out some great pictures and Julie and Shirley never gave up. These two girls stayed up until two o'clock in the morning with Mr. Krebs and me working towards that final deadline. Kim and Kevin Sheffield, what can I say? I'm impressed. You both did outstanding jobs. Rosie and Becky I never heard much from, but things kept turning up done. You took away some of the over-load and really helped my brain to stop fizzing. I'm sure there are others I have missed, but my thanks go out to all of you! You're a great bunch to work with. Oh yes . . . Mr. Krebs, thanks for the rope, it almost hung the both of us more than once, but I got the chance to put down my ideas and I hope this Lion's Roar turns out to be everything we want it to be. Good Luck to next year's staff!

Lisa Doyle is tardy again. 5. Tim Weld doesn't seem to sure about the fact that over 500 pictures are due for the next deadline, which is the next day. 6. Yearbook staff gets down to business. 7. Florinda Duran, Lisa Jones and Brian Richter wait impatiently for the 10:10 bell to ring. 8. Super typist Lisa Lippert does yet another 3-C copysheet.

Dearest, what would you
like us to bring back
from Disneyland? A
Mickey Mouse doll?
Or perhaps a
Goofy hat?
Love ya always,
Dave

Dear Uncle Dave,
Yeah! Good
idea! Please bring
us some Disneyland
souvenirs. We've
been good kids
and deserve
something nice.
Love,
Scott

Dear Uncle Dave,
I got what I
asked for! Mickey
Mouse #13
Thanks!
Love,
Scott

Dearest Scott,

I know things don't always go perfectly between us, but you know I do and always will care very much for you. We always seem to end up back together, but one of these times I'm going to come to a rude awakening when I find that you aren't there anymore. I know it may seem silly but every time I hear that you've found someone else it seems to make me [illegible] pretty stupid [illegible] away I treat you [illegible] Kyle [illegible]
